

## The Columbia Guide to American Indians of the Great Plains

Filesize: 2.07 MB

### ***Reviews***

*It is in a single of the best book. This is for those who statte there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.*  
*(Dr. Barney Robel Jr.)*

Columbia University Press, 2003. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: A brilliant framework for covering the rich ethnographic and historical material from the Plains under a conceptual rubric that relates the material to larger questions in history, anthropology, and American Indian studies: what changes historically in native cultures, what remains the same, and how do native peoples struggle against the colonial situation'. Fowler has come up with a very compelling organization that will make the work both readable as a text and usable as a reference source.
