Penguin Books Ltd, United Kingdom, 2014. Paperback. Book Condition: New. 225 x 153 mm. Language: English . Brand New Book. Seven little boys are very hungry, so their mother makes a big pancake. What happens when the big pancake runs away? Read it yourself with Ladybird is one of Ladybird s best-selling reading series. For over thirty-five years it has helped young children who are learning to read develop and improve their reading skills. Each Read it yourself book is very carefully written to include many key, high-frequency words that are vital for learning to read, as well as a limited number of story words that are introduced and practised throughout. Simple sentences and frequently repeated words help to build the confidence of beginner readers and the four different levels of books support children all the way from very first reading practice through to independent, fluent reading. Each book has been carefully checked by educational consultants and can be read independently at home or used in a guided reading session at school. Further content includes comprehension puzzles, helpful notes for parents, carers and teachers, and book band information for use in schools. The Big Pancake is a Level 1 Read it yourself book, suitable for very early readers who are ready to take their first steps in reading real stories. Each simple story uses a small number of frequently repeated words.
