Brand New Book ***** Print on Demand *****.Excerpt from Official Guide: The South Carolina Inter-State and West Indian Exposition Plans for the holding of the Exposition were first devised in the spring of 1900 and the several Departments of the Exposition were organized in August, 1900, so that all that has been accomplished in this great work has consumed less than two years of time. This Exposition is held to inaugurate new industries and commerce; to keep open new foreign markets, particularly in the West Indies; to begin the Twentieth Century of the Christian era with the arts of peace; to develop the American culture of silk and tea; to promote the Southern manufactures of cotton and iron; to establish new steamship lines from Charleston, the central seaport of the Great Southeast; to show the world the resources and attractions of that prolific country and the advantages of Charleston as a connecting link between the producers of the Southeastern States and the Mississippi Valley, on one side and the markets of the world on the other. It will not be as expensive as the World s Columbian Exposition at Chicago, but in the development of ideas and twentieth century policies, it will contribute as much, or more, to the expansion of American commerce and the peace of the world.
