Tate Publishing Enterprises, United States, 2013. Paperback. Book Condition: New. 178 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.You can; you will achieve mastery of grammar. You will not only understand grammatical structures, you will be able to analyze them. For competence in grammar, you must know the parts of speech and apply them consistently. If you memorize the definitions of the parts of speech, then any word can be correctly analyzed. The definitions explain how each part of speech functions. Visual Grammar and Composition Formats: Competence in Grammar and Composition by A. V. Scrivner provides all the information for mastery of grammar. Diagrams visually illustrate the grammatical relationship of one word to another. The subject and the predicate verb are the controlling elements in any sentence. To the surprise and shock of many students, the predicate verb is the real driver in any sentence, and that driver selects the appropriate subject. With the correct subject and verb in place, any sentence can be expanded. Composition is paramount for many reasons, not only to record and inform but also to delight. Visual Grammar and Composition Formats provides original composition samples usually required at the high school and university levels. Smile at the book's conclusion with some short, fun poems.
