This item is printed on demand - Print on Demand Neuware - Essay from the year 2011 in the subject Politics - International Politics - Topic: Public International Law and Human Rights, grade: 1,7, University of Reading, language: English, abstract: A gradual process of change, termed 'deepening and widening' of international law, can be observed in response to new challenges to the world order, such as the increased global economic interdependence, demands for human rights and ethnic autonomy, and transboundary environmental damage. States are increasingly entering formal international agreements and transferring a portion of their sovereignty to authoritative international institutions. The proliferation and evolution of international arrangements has raised the question of States' compliance with international law having in mind the horizontal nature of the international legal system. Law and compliance are conceptually linked as law explicitly aims to provide compliance with legal rules. Theories of compliance draw on both international relations and international law scholarship. Understanding state behaviour in terms of compliance with international law is vital for effectively designing international commitments and improving the efficiency of international institutions. The first section of the present essay outlines the...
