On My Own Biographies introduces beginning readers to some of history s most interesting and important people. These books focus on the pivotal episodes that show what kind of person the subject is (or was) and how he or she came to be famous. Martha Dandridge Custis was twenty-years old when she married George Washington. She worked by her husband s side to help keep their family, home, and country running smoothly. Whether she was at a ball or on a battlefield, Martha Washington set the standard for all future First Ladies with her quiet determination and courage.
