### ***Reviews***

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Many parents wish their kids would explore other tastes. For children with autism, new things can be especially challenging. This book was written by a mom whose son with autism only wanted to eat pizza. In time, he tried other things. Now, several years later, he was able to draw pictures to accompany this story. CoCo s Bananas is a simple story about a little monkey who loved bananas. His mom says a prayer and it is granted in an unexpected way. The illustrations are pure from the heart of a very special 13 year old boy.
