## **PETROLEUM AND ITS PRODUCTS: AN ACCOUNT OF THE HISTORY, ORIGIN, COMPOSITION, PROPERTIES, USES, AND COMMERCIAL VALUE, C., OF PETROLEUM, THE METHODS EMPLOYED IN REFINING IT, AND THE PROPERTIES, USES, C., OF ITS PRODUCTS**

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Petroleum and Its Products: An Account of the History, Origin, Composition, Properties, Uses, and Commercial Value, C., Of Petroleum, the Methods Employed in Refining It, and the Properties, Uses, C., Of Its Products Petroleum has now become a very important article of commerce, and information concerning it is much required, especially as many erroneous opinions respecting its properties, c., are prevalent. A large amount of information is scattered through the pages of our numerous periodicals; but there does not exist, as far as I am aware, any work specially devoted to the subject of Petroleum. In order, therefore, to supply, to some extent, the want which was felt for such a work, I have prepared this small book, which I trust may be found useful in diffusing a knowledge of a very interesting and valuable substance. It is impossible, in a small volume like this, to include all that is known of Petroleum, especially as every day is bringing to light new facts concerning it; but I have endeavoured in the following pages to give as complete an account of the crude Oil, and its various products, as my space would allow. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
