AUTHORHOUSE, United States, 2015. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the story of one family s journey through life and the obstacles they overcame with their never-ending love, passion, desire, and loyalty. The story begins with the coming of age of Melissa Stark and then becomes interwoven with the fabric of life of the rest of her loving and caring family. Melissa was a passionate, rebellious young girl who came from a long line of fiercely independent, liberated women. She was a free-spirited truth seeker, wise beyond her years. Her relentless pursuit of the stream of consciousness of a higher power brought her to an Eden-like place full of peace and love and tolerance. The story chronicles the connection between divine intervention and a series of incredible coincidences that made her family s unconventional love come full cycle. This story also explores the inherent connection between spirituality and sexuality that defines us all as human beings and sanctifies our primal essence. The family in this story clung to each other in times of tragedy and loss, and they nurtured each other with love and kindness and understanding. Their love and kindness and empathy enabled them to survive the suffocating dominance and persecution of the evangelical fundamentalists who were envious of their love and passion. This story strongly rejects the pop culture myth that men are from Mars and women are from Venus as a frivolous rationalization that could lead to the acceptance of misogyny and reverse misogyny. This story strongly suggests that we are all from one place-Eden. This family s nonpolitical, unbiased interpretation of the scriptures and their unconventional social values may make you question everything you ve been carefully taught about God and the...
