Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is part-2 of our book series Is modern-democracy a fake-coin? . Part-1 is already available at stores. This part-2 has eleven articles, each one handling a unique negative feature of modern world, seeking remedy through a reinvented democracy . The only remedy is a reinvented democracy because, world today is at its contemporary stage of progress, chiefly due to its all controlling political institution, ie. democracy. Polity is what give birth, define and control every other institution and its values and directions in modern society. Therefore, a new world-order, with genuine freedom to every man on the street, would be possible by thoroughly redefining and reinventing our leading political system- democracy. Bringing out of this book that delve deeply into various not yet noticed and recognized, philosophical and psychological aspects of modern world was so necessary because, there exists a general impression in the mainstream that, contemporary world is an absolutely free, liberal, open and progressive place ! Our age can see the deeper discords over the surface glitter and glory only when it come face to face with the deeper, almost hidden facts presented in the book. As the preface of the book has a description about each article, this description does not attempt to reveal much on the content. But, modern democratic states are shown at par with the totalitarian regimes in modern world, in the matter of the common fuel both parties use in governance, ie. POWER ! Hence, while the openly declared closed regimes such as that of the communists, autocrats and Kings suppress freedom and liberty openly, democratic regimes pretend to be free and open, but at the citizens real experience level,...
