Brand New Book ***** Print on Demand *****.Excerpt from North Coastal Area Investigation: A Summary of the Public Hearing Comments and Changes to the Preliminary Edition; Dated September 1964, Final Supplement This supplement serves as the final edition of Bulletin No. 136, North Coastal Area Investigation. It presents (1) a summary of the public hearing comments received on both Bulletin No. 136 and Appendix A, Watershed Management in the Eel River Basin ; (2) statements on the action taken by the preliminary edition of Bulletin No. 136. The final edition of Appendix A was published in September 1966. Public hearing comments on the bulletins were primarily concerned with the need for flood control and project timing and did not significantly challenge the North Coastal water resources planning framework presented in Bulletin No. 136. Changes to the bulletin itself were therefore minor and are most effectively presented in a supplement such as this. Bulletin No. 136 provides a general description and summary of a seven-year reconnaissance investigation of the North Coast s water resources. It outlines the objectives, activities, and conclusions of the investigation and...
