RED SAND (PAPERBACK)

Createspace, United States, 2012. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.On this island, there are no survivors. Lost meets Treasure Island in this riveting account of castaways on a desert island hunted on all sides. A rare blend of breathtaking action, deep character development, corporeal horror, and a believable story line brings this all too realistic modern adventure to life. When the cruise ship Princess Anne sinks at night in the middle of the Atlantic, strange, white-haired natives pluck seven survivors from the water. Delivered to a barren volcanic island and forced to work, the survivors disappear one by one as the natives, and the island turns hostile. Plagued by betrayal and revolt, the native society crumbles as a hurricane threatens to resurrect the island's deadly secret. With time running out, alliances form and break in search of the last option - escape! If you miss Lost, don't miss Red Sand.
