Farrar, Straus and Giroux, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Taking Back God is an enlightening, inspiring look at how our faiths can and should reflect our highest ideals about morality and God. It's a must-read for anyone who cares about religion in America today." Rabbi Danya Ruttenberg, author of *Surprised by God* and editor of *Yentl's Revenge: The Next Wave of Jewish Feminism* "Religious feminism is not dead! If you believe in gender equality and belong to any of the three great 'religions of the Book,' *Taking Back God* will both energize and anger you. An observant Jew herself, Leora Tanenbaum carefully nuances the secondary status of many women in Judaism, Christianity, and Islam. She shows how women are challenging repressive traditions in light of the core values of their faith. As a Christian feminist myself, I especially appreciated learning about Jewish and Muslim women in parallel circumstances and with similar interpretive hurdles. Tanenbaum blends extensive research with human interest stories and an embracing attitude that keeps one turning the pages." Reta Halteman Finger, Assistant Professor of New Testament, Messiah College, Grantham, Pennsylvania and former editor of the Christian feminist magazine *Daughters of Sarah* "In *Taking Back God*, Tanenbaum has done a great service by presenting a riveting account of the sexist sins of our fathers in not one but three major religions, and by giving the faith-filled women fighting to elevate women's place in these religions the respect and attention they deserve. To every woman of faith who has ever sat in her church, mosque or temple feeling belittled, hurt, angry and alone, this one's for you." Angela Bonavoglia, Author of *Good Catholic Girls: How Women Are Leading the Fight to Change the Church* "It is a joy to find a book on women and religion that speaks from the point of view..."
