IN THE BEST INTERESTS OF BASEBALL? THE REVOLUTIONARY REIGN OF BUD SELIG

DOWNLOAD

Wiley, 2006. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Andrew Zimbalist has written an insightful and thought provoking book that peels the cover off the ball of the position of the commissioner to see the threads inside. I highly recommend it." -Maury Brown, chair, SABR's Business of Baseball Committee in The Hardball Times "Andy Zimbalist's book is a thoughtful and objective analysis of baseball's labor and economic policy evolution. The book is interesting, relevant and a good read." -Randy Levine, president of the New York Yankees, former chief labor negotiator for MLB "I read In the Best Interests of Baseball? start to finish in one evening. Zimbalist has provided a tour de force. It's an incredibly interesting read that ends with a vision for the sport that is on squarely on target and a clarion call to our industry." -John Henry, principal owner of the Boston Red Sox, member of MLB Executive Committee "Andrew Zimbalist has done a very credible, eminently readable and engaging job describing MLB's commissioners, particularly Bud Selig, who easily has become the most significant figure in baseball in decades. While Selig will not necessarily share all of Zimbalist's views about the game, In the Best Interests of Baseball has thoughtfully, and perhaps uniquely, tracked many of the thorny issues that Selig confronted during baseball's new golden era." -John Moores, owner of the Padres and member of MLB's Executive Council "Baseball books, like the game itself, are often replete with errors. But Andrew Zimbalist has written a carefully researched yet lively review of the record of the nine commissioners that is both fair and accurate. It is long overdue and a superb read." -Fay Vincent, former commissioner of baseball "I always thought Yogi Berra was the wisest source on baseball,...
