Quid Pro LLC, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A classic study in law and society is now readily available to scholars, researchers, and others in the field of criminal justice, due process, policing, and administrative procedure. It adds a new Preface by the author and a new Foreword by Berkeley law professor Malcolm M. Feeley. As the author reflects: I think it was my first day in the field that the police liaison to the district attorney's probation revocation program exclaimed, Forget rights! Forget right to jury! Forget right to bail! There are no rights! As Malcolm Feeley says in his Foreword, what I discovered over the course of researching and writing this study was in plain view from the beginning. The criminal process has largely been subsumed as an administrative process and the procedural rights enshrined in the Bill of Rights have long since faded away. What I hope my work explains is how this happened doctrinally-how the expansion of criminal due process was halted and redirected by the very administrative due process revolution it gave birth to. And how it happened in practice-how police, prosecutors, and corrections came to realize that they had the tools to bypass the criminal process in enforcing the criminal sanction. In his new Foreword, Feeley describes the book as a brilliant analysis of the criminal process and explains why its relevance and theoretical power have increased over time. In a nation where legal rights and process became enhanced in criminal courts and formal processes of adjudication, Greenspan showed the bypassing of much of this framework by the substitution of parole revocation, probation, and the like-by what Feeley summarizes as the triumph of the administrative model. Her...
