Laurel Leaf Library, United States, 1991. Paperback. Book Condition: New. Reprint. 170 x 104 mm. Language: English . Brand New Book. Gary Soto writes that when he was five what I knew best was at ground level. In this lively collection of short essays, Soto takes his reader to a ground-level perspective, resreating in vivid detail the sights, sounds, smells, and textures he knew growing up in his Fresno, California, neighborhood. The things of his boyhood tie it all together: his Buddha splotted with gold, the taps of his shoes and the engines of sparks that lived beneath my soles, his worn tennies smelling of summer grass, asphalt, the moist sock breathing the defeat of basesall. The child s world is made up of small things--small, very important things.
