A History of the Christian Church, composed with judgment, taste, and candour, drawn, with uncommon discernment and industry, from the best sources, enriched with much useful learning and several important discoveries, and connected with the History of Arts, Philosophy, and Civil Government, is an object that will very probably attract the attention of many, and must undoubtedly excite the curiosity of the judicious and the wise. A work of this nature will be considered by the Philosopher as an important branch of the history of the human mind, and I need not mention a multitude of reasons that render it peculiarly interesting to the Christian.
