In the period covered by this report we have improved our system for examining and accrediting high schools to the University. This is a system by means of which we are able to make some suggestions looking to the improvement of the high schools of the State, and at the same time provide a means by which the graduates of the approved schools may enter the University without examination. The work of passing upon the courses of study and the quality of the teaching in the high schools is under the supervision of a Faculty Committee, but in a very...
