Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Vittoria Accoramboni (15 February 1557 - 22 December 1585) was an Italian noblewoman. Her story formed the basis of Stendhal's novella Vittoria Accoramboni (1837-1839). Vittoria was admired and worshipped by the cleverest and most brilliant men in Rome, and being luxurious and extravagant although poor, she and her husband were soon plunged in debt. Among her most fervent admirers was Paolo Giordano I Orsini, Duke of Bracciano, one of the most powerful men in Rome. Her brother Marcello, wishing to see her the duke's wife, had Peretti murdered (1581). The duke himself was suspected of complicity, inasmuch as he was believed to have murdered his first wife, Isabella de Medici. Now that Vittoria was free he made her an offer of marriage, which she willingly accepted, and they were married shortly after. But her good fortune aroused much jealousy, and attempts were made to annul the marriage; she was imprisoned in the Castel Sant Angelo and only liberated through the intervention of Cardinal Carlo Borromeo. On the death of Pope Gregory XIII, Cardinal Montalto, her first husband's uncle, was elected in his place as Pope Sixtus V (1585); he vowed vengeance on the duke of Bracciano and Vittoria, who, warned in time, fled first to Venice and thence to Salò in Venetian territory. Here the duke died in November 1585, bequeathing to his widow all his personal property. The duchy of Bracciano passed to his son by his first wife.
