*****. This book is a practical, and yet medically informed guide for those suffering from Chronic Back Pain - especially its effect on intimacy, its negative effect on sexuality and intimate relations. One of the most important tasks of the book is identification of subtle (indeed, nearly invisible) physical and psychological damages be back injury, pain and even treatment. The single most important reason to read this book is its grounding in the lives of patient with formidable problems. Few, if any texts go into the homes and or discuss sexual problems. This was work, but critical work if relationships were to survive. In this text, the years of wisdom gathered from couples made romance possible to regain with months - not years. Only a very small percentage of texts like this one try to see the depth of back pain patients problems. Here we see the patient, couple, dating teens, and retired bakers throughout the day and into the night. Diagnostic medical tools reveal physical problems, but not those that come up at home and...
