Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the sinister and morbid mind of James Hunt during his time as a hipster college student, this novel is about James, a hipster college student who fancies himself a writer. His sinister and morbid outlook on life eventually turns him on to the idea to write a story about a hipster serial killer named James who is a writer in college with a sinister and morbid outlook. An oddly accurate look into the mind of college-aged pseudo-intellectuals with a taste for death and reckless abandon, this novel ushers into the scene a new and dark genre of literary horror and black comedy. From the point of view of a narcissistic, iPhone-loving, liberal-minded cough medicine junkie, this story will have you wondering who in your next class or work meeting is planning to kill you because you re wearing a T-shirt that isn t ironic enough.
