

The Parent s Guide to Solving School Problems (Paperback)

By Don Fontenelle

Pelican Publishing Company, United States, 2009. Paperback. Book Condition: New. 226 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Children spend the majority of their lives participating in school and school-related activities; therefore, when their educational experiences are negative, their overall development is affected. Nationally recognized clinical psychologist Don Fontenelle provides parents with the skills to identify academic and behavioral problems and gives them the resources to overcome them. From daily routines and social conduct to grade point average and study habits, parents can help their children achieve the short-term goals that will impact them for a lifetime. School problems are not defined solely by academic performance, but grades can be an excellent indicator that a child is having difficulty. Many factors can affect a child s routine in ways that he is unable to express adequately. Dealing with bullies, criticism from teachers, or a disruption in their environment can challenge their focus. There are techniques that a parent can use at home to improve their child s coping skills in the outside world. At times, parental intervention is not enough and summer school, home school, or special education should be considered. In other instances, a therapist or...

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

-- **Mr. Grant Stanton PhD**

A whole new eBook with an all new standpoint. It is actually rally fascinating throgh reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).
